Alliance of Baptist Day at Brite Divinity School

For all members and friends of the Brite Baptist Community, mark your calendars for Alliance of Baptists Day at Brite. Our Alliance Guest Speaker will be Judge Wendell Griffen. Judge Griffen, contributing author of "Trouble the Water: A Christian Resource for the Work of Racial Justice", issued by the Alliance of Baptists, came to national attention for challenging the death penalty in his home state.

He is Pastor of New Millennium Church in Little Rock, AK, a Circuit Judge in the Sixth Judicial Circuit of Arkansas (Fifth Division), and CEO of Griffen Strategic Consulting.

Judge Griffen will speak in Chapel at the 11 a.m. service, and then will lead our Community Conversation in Bass Conference Center during the lunch hour, noon until 1 p.m. All are invited for this important time of uplift and insight as Alliance Baptists share their gifts with our divinity school. Brite is an officially recognized seminary of the Alliance of Baptists.

So, invite your family and friends for Alliance of Baptists Day at Brite Divinity School, Tuesday, November 28!
